AMERICAN LEGION POST 117

FROM THE DESK OF THE POST COMMANDER

The month of December could have be the best of times or the worst of times. I would like to give a Heartfelt thanks to every Post member who reached out to fellow veterans, families, and friends of our Post. The holidays can hit some very hard. So now more than ever, let's Be The One. For those doing buddy checks, I applaud you, keep up the great work. Maybe ask yourself, "Who else could use a call?" For those of you that are not doing buddy checks, ask yourself, "Who could use a call?" It is one simple way that we as the American Legion Family show we truly care about our family members. Thank you to everyone that played a role in the VA Hospital Tour, Joining Santa to deliver the gifts to the Butler CLC, the children's Christmas Party, Donating toys for tots, ETC.

As we usher in 2026, we reflect on a busy and successful year, filled with community engagements, veteran recognition, and countless moments of camaraderie. Looking back on 2025, Post 117 had a truly remarkable year, from placing all new veteran tribute banners on main street of Butler, hosting several County Council meetings, Several District Meetings, supporting our local Boy Scout Troop 39 on their outdoor adventure to Canada, and many many more.

As we look ahead to 2026, we are excited for the upcoming Oratorical Contest, Essay contest, Keystone Boys and Girls State, PA State Police youth camp, American Legion Baseball, school awards programs. Stay involved, continue your support for our programs, and let's make this another great year of service, community, and celebration.

Our National Commander Dan K. Wiley from Kansas will be visiting Pennsylvania in March and will be in Baden, PA for dinner on March 18, 2026. If you would like to attend this dinner please let us know. We will have information on tickets and dinner menu at the upcoming Post meetings.

With warmest regards,

David E. McLaughlin

FROM THE DESK OF THE POST ADJUTANT

Our membership for 2026 has achieved our goals so far this year, we just achieved our 85% goal. We only need about 85 Veteran Members to renew for 2026 to make our 100%. I know that we can work together and achieve our 100% membership for 2026. So if you have not renewed for 2026, I ask that you please do that Today! If you need assistants please reach out to me, we may be able to assist you.

We will be hosting our early Bird Dinner on January 31, 2026 for all members that renewed their membership by November 11th. You should have received an early bird stamp on your membership card, this will get you a **FREE** Dinner. You must sign up in the canteen. Guests are welcome to attend at a charge at \$10.00 per person.

We are the second largest Post in the District and County, I would like to ask each member to recruit 1 new Veteran member into our Post this year. If each member signed up one new Veteran member we would double our membership and become the largest Post in the District and County. We can work together and accomplish this goal! For each person that recruits a new Veteran member and puts their name on the new members application they will receive a **FREE Drink** once I receive the application and verify the Veteran is eligible for membership and they are approved at the next meeting.

Sponsor a Veteran, if you would like to sponsor a Veterans Membership please see an Officer or one of our friendly Canteen Staff and they can assist you. The Cost is \$40.00 per Member, give the gift of Membership to a Veteran.

House Committee News

We are in the process of painting the bathrooms, the lower entryway and hallway and installing new flooring in the area where the ice machine is located. We have been doing some routine maintenance around the Post. We will be getting ready for a Spring clean up project to freshen up the outside of the Post and get ready for Summer and Memorial Day Weekend.

We have our entertainment schedule set for the Winter Months, check out the Calendar. Please come out and participate with our BINGO, Saturday Bands and the Parties that we have planned and don't forget about our Sunday Football Games! If you bring a side dish to the Sunday 1pm Steeler Games you will get a **FREE 50/50 Ticket**.

If you have suggestions for the House Committee please come to our meeting on the 4th Wednesday of each month at 6pm. We welcome any member to our meeting to bring fresh ideas to make our Post the best that it can be. Again thank you for your support and dedication to American Legion Post 117.

Dean Noechel
House Chairman

FROM THE DESK OF THE 2ND VICE COMMANDER

First and foremost, I would like to thank Adjutant Dean Noechel and Commander David McLaughlin for their vote of confidence and for nominating me for this position. I would also like to sincerely thank the members for placing their trust in me by voting me into office.

I consider it an honor to serve as your 2nd Vice Commander, and I will continue to work alongside our Officers and Executive Board to do what is in the best interest of our Post and its members. After all, we work for you—the members. With that in mind, I encourage everyone to consider attending the Post Veteran meetings. Meetings are for the members and provide the opportunity to make motions, voice concerns, and vote on matters that affect our Post. Please remember: if an issue or criticism is important enough to discuss at the bar, it is important enough to bring to a meeting.

If anyone has questions, concerns, or ideas, please do not hesitate to reach out to me or any officer of the Post. I can be reached at (724) 596-0538, and we are always willing to listen and help.

Please note that January 31st is the Post Early Bird Dinner. Members with an Early Bird stamp on their membership card must sign up at the canteen for the dinner. Dinner is FREE for stamped members, and you may bring a guest for \$10. I hope to see everyone with an Early Bird stamp in attendance.

Join us for The American Legion 107th Birthday Celebration on March 14th from 3-7pm. We will be Celebrating The American Legion at our Post. I will be there, will you join me?

CHAPLAINS CORNER

As we stand at the threshold of a new year, we are reminded that time does not merely pass—it invites us forward. Each year carries with it both reflection and renewal, and as Legionnaires, we understand the value of both. We reflect on the sacrifices made by those who came before us, on the comrades we have lost, and on the bonds forged through shared service. Their legacy is not only written in history but lived out through our continued commitment to one another, to our communities, and to our nation. The coming year also calls us to renewal. Renewal of purpose. Renewal of compassion. Renewal of our promise that no veteran stands alone. In a world that often feels divided or uncertain, the American Legion remains a steady presence—built on honor, service, and mutual respect. May this year strengthen our resolve to look out for one another, to listen more deeply, and to serve with humility and courage. May we find the strength to carry our burdens together, the wisdom to ask for help when needed, and the grace to extend kindness freely. As your Chaplain, I encourage each of you to enter this new year with hope—not blind optimism, but the kind of hope forged through perseverance and shared experience. We have faced adversity before, and we have endured—together.

May the year ahead bring peace where there has been struggle, healing where there has been loss, and unity where there has been distance.

Thank you for your service, your fellowship, and your continued dedication to the values we hold dear.
